The Changing Face Of Lincoln

Lincoln High is 43 years old. Yet today, Lincoln is as new as tomorrow.

There have been many friends, many students, and many teachers all sharing the task of keeping up with the quick changes around us. These changes are many and varied and involve both the educational program and improvement of the physical plant of the school.

Today, we see Lincoln as a bright modern school with new facilities which have added much to the growth and development of the South Des Moines area. In January, 1967, the new gymnasium and swimming pool were opened and the first basketball game played was with Tech. A fresh environment for learning has been created for both teachers and students.

This changing face of Lincoln, though different in many ways, still retains many traditions and familiar symbols which make it richer because of the history behind it.

Principal Melvin J. Bowen

The knowledge and vision of many people are involved in the complicated process of education today. The world grows more complicated and the preparation of the young grows more frantic each year.

The leadership exerted by the Superintendent Dr. Dwight Davis and his staff, the School Board, and more directly, Mr. Melvin Bowen, principal, becomes even more vital as each year brings more and more problems and responsibilities.

We don't always feel this hand of leadership, but know of its strength and that without it there would be very little learning and no progress.

Student Life

Faculty members brought back the Spirit of Homecoming 1926 by leading cheers at the pep assembly.

The football team was introduced at the pep assembly and greeted with a standing ovation from the student body.

Homecoming 1966

Homecoming 1966, the spotlight of fall activities, began with a week of activities for the first time in Lincoln's history. An assembly was held the Monday of Homecoming Week to reminisce about the first Homecoming. Mr. Henry Sanders related the beginning of the King and Queen tradition, the first dance, and the selection of an "Abe." Maroon Day, Button Day, when buttons with a picture of the football captains were sold, Gold Day, and Mum Day filled out the week.

Seniors enthusiastically anticipated the Homecoming game by congregating around the Homecoming Sign on the front lawn.

The Combo warms up during assembly for the sock-hop.

Friday brought a pep assembly, sock hop, pep rally, and the game. The cheerleaders feverishly decorated the field with the constant threat of rain. The Seniors "cried" over the dampened Senior Sign. The rain held off while Queen Delana Barber was crowned and given roses by Max McCaw. An after game hootenanny, sponsored by Girls' Club, ended the evening's activities.

Homecoming Royalty

— 1966 —

King Dan Summy and Queen Delana Barber, with their court, reigned at the Homecoming Dance Saturday evening. Music by the Charlestons entertained some 600 Lincolners in the newly remodeled girls' gym. "Back to Homecoming 1926" was the theme with the gym decorated like a speakeasy.

A Pep Assembly with the teachers acting as cheerleaders, a mum corsage, a maroon ribbon with Homecoming 1966, yelling at the game, hoping it won't rain, getting your picture taken with your head hanging over the cardboard, a goodnight kiss, this was Homecoming 1966.

Pancake Breakfast

— 1966 —

The annual Pancake Breakfast, held the first Saturday in December, was again a tremendous success. Teachers worked as chefs and busboys to provide hungry Lincolners with sausage and pancakes. The greatest attraction, besides seeing Mr. Bowen clad in a white apron and chef's hat, was the nearly completed gym and newly remodeled classrooms.

Student Government . . . Democracy In Action

Student Council provides leadership and promotes all major activities at Lincoln High. Composed of representatives from every homeroom, the council enables the student body to air their views and give suggestions for social activities. Enthusiasm and energy abounded in this year's council. New organizational committees begun this year were the Coordinating Committee, Finance Committee, and Mixer Committee. The Coordination Committee organized the school calendar to prevent activities from conflicting. Selling ribbons, homecoming buttons, and mums, the Finance Committee was responsible for sales. After game mixers provided entertainment for everyone with music provided by combos. The mixers in the remodeled girls' gym were a tremendous success and will be continued next year.

Other projects included the second annual Snow Ball Dance, the purchase of a spot-light with multicolored lenses for assemblies and the drama department, and collecting over \$600 worth of Friendship Bonds to bring foreign exchange students to Lincoln.

Student Council officers provided enthusiasm, leadership, and new ideas for the 1966-67 council. Stressing cooperation and teamwork, the executive board made this year a tremendous success.

The All-City Student Council strives to establish better inter-school relations. Ray Main, All-City treasurer, was responsible for the success of the second annual All-City dance February 25. Entertained by the Rumbles at the Val Air, students enjoyed themselves besides enabling the council to donate \$1,000 for a school in Latin America. The All-City Jamboree, which solves various problems presented in committees, besides promoting inter-school relations, was held in the spring.

This traditional week is one that will not soon be forgotten by Lincoln students.

Club Activities... The Art of Sharing and Belonging

Key Club was newly organized through the Southtown Kiwanis Club to promote leadership. The 42 club members were selected for leadership and grades. Key Club enables young men to work with businessmen, and absorb some of their knowledge, experience, and leadership.

A secondary purpose is to serve the community and school. This club has much potential to contribute to the quality of leadership at Lincoln.

Girls' Club...Achieving School Unity

The largest club at Lincoln, Girls' Club, works for community service and creates social activities for all Lincoln girls. The events of the 1966-67 club year began with the Mother-Daughter Tea and the installation of new officers. The first social get-together in the fall was the Little Sister Tea at which all sophomore girls were welcomed into the club and provided with a "big" sister to answer questions about Lincoln. At Christmas time, the Girls' Club executive board joined forces with the Student Council to entertain the Dunlap students with Christmas stockings at the party following the Christmas program.

The first game in the new gym was celebrated with a pre-game pizza party for all Lincoln girls. A good time was had by all, even if we didn't win the game.

New members of Girls' Club were welcomed into the club at the Big Sister Tea in September.

Sweetheart Dance

The annual Sweetheart Dance was again a tremendous success. This switch-about affair, where the girls take the boys, has been the high-light of club activities for several years. The announcement of the Man of the Year award climaxed the evening. This year's favorite men were: Don Houk, senior; Doug Parsons, junior; and Tim Clarity, sophomore.

Club activities ended with a service project of providing fruit for the southside nursing homes at Easter.

Judy Cherry, Girls' Club president, presents Don Houk with the Sweetheart Dance Man of the Year plaque. Doug Parsons, junior, and Tim Clarity, sophomore, were the Men of the Year for their respective classes.

Lettermen's Club...Athletes In Action

Lettermen's Club, the largest organization of boys at Lincoln, begins its annual activities with the BLH Drive. Organizing the fund raising project, Lettermen's Club made this activity a tremendous success.

Other service projects include serving coffee and donuts to newscasters at football games, and selling Lettermen programs for athletic events, pins and T-shirts, and purchasing weights, a basketball foul counter, flag, heat lamp, and track record board.

Lettermen's Club entertained the student body with a mixer in November. This was the first time that Lettermen's Club provided an activity for the entire student body. It was a tremendous success, if numbers count, and it is hoped that next year will bring a similar activity.

The Lettermen Party, held March 10, was a fun-filled event for both old and new lettermen. Thoroughly initiated with shaving cream, magic marker, eggs, and delicacies such as dog food and oysters, not to mention pop and pizza, the new lettermen survived the "ordeal" and will be anxious for next year's activities.

Vocal Musicians...

Concentration and Practice

Lincoln's vocal music department, provides the student body and community with musical entertainment. Hampered at the beginning of the year by the construction of new facilities, the music department came on strong for the annual Christmas program, "Christmas is Here." The new music room is the remodeled girls' gym.

Some 430 students participated in Concert Choir, Boys' Glee Club, Prep Choir, Girls' Glee Club, and Madrigal. Besides performing at Christmas time, the music department also sings in the annual spring music festival. This year's theme was "The Creation." Exchange programs are also part of the advanced choirs yearly program. This year The Concert Choir and Madrigal entertained the North High student body with an assembly.

Lincoln High Band

Mr. Bill Henderson, Director

Lincoln's Band entertained the student body as never before with a jazz concert assembly. Playing at pep assemblies to help the cheerleaders create enthusiasm, the band also became an integral part of major athletic events. The pep band, at the football games and basketball games, never failed to bring everyone to his feet when the Fight Song was played. The spirited percussion section and "charges" played by the trumpet section always contributed much to the spirit of the crowd and team.

FLAG TWIRLERS—Debbie Davis, Jane Latta, Karyl Garbow, Jan Speck, Dixie Krause, Anne O'Deay.

Lincoln Flag twirlers have taken on a new look this year. They began the tradition of raising the flag at the stadium during the National Anthem. Marching during half-time at the basketball games was also a new activity. For the first time, the Flag twirlers took part in the BLH drive, and held a tea and a clinic for the future Flag twirlers. This year the Flag twirlers became a separate organization from the band.

Lincoln's Majorettes have continued their tradition of adding zest and excitement while performing with the band during football and basketball half-times. One of this year's highlights was the homecoming football game when the Majorettes continued one of Lincoln's newest traditions of twirling fire batons.

United Nations Club members are interested in and concerned about relationships between countries of the world. Besides discussing the proceedings of the U.N., members participate in Governor's Day activities and the Model U.N. at Cedar Falls. Showing the movie "Charade" was the annual fund raising project of the club year.

Clubs... Modeled After World Organizations

Red Cross Club members devote many hours of their time to service projects. This club, a high school chapter of the Red Cross, concentrates its efforts on helping people. In April a talent show was given at Younker's Rehabilitation Center. Club members also participated in a rag drive and United Campaign. Specific service projects for U.S. soldiers in Viet Nam included making friendship kits and cartoon books. Club members also attended monthly Red Cross meetings with all Des Moines high school members.

Raising money to bring foreign exchange students to Lincoln is the main purpose of International Club. Selling "pickle sickles," friendship bonds, and giving a hootenanny brought over \$1,000 into this club's treasury. Lincoln's International Club held the first All-City International Club meeting.

Last year's International Club raised enough money to bring four students to Lincoln. They were: Tony Young from Honduras; Marti Troost, Netherlands; Jette Graubaek, Denmark; and Ursula Sarkia from Finland.

International Club also tries to give Lincoln students who go abroad some financial aid. Doug Warne, Sheri Parsons, Nancy Melone, and Mike Reeser visited Europe last summer. Joyce Pound lived in New Zealand from February 1966 to December 1966.

Acid indigestion may have been one of the results of selling "pickle sickles." The main goal, however, was an International Club fund-raising project for foreign students.

Career Clubs...

Planning For The Future

Health Careers Club is for those students who might be interested in a career involving medicine. Hearing speakers from Younkers Rehabilitation Center and the Iowa Commission of the Blind, and touring the blind center and the College Hospital were part of the club's program. Two service projects were caroling on the south side of Des Moines and gathering objects for Christmas presents for United States soldiers in Viet Nam.

Debate Club, Lincoln's newest club, spent most of the year organizing its membership. Meetings allow club members the opportunity to practice their debating form. Next year, club members may have the chance to compete in contests and with other city schools.

D.E.C.A. Club relates to the vocation of Distributive Education students who combine studying with business. A closer study is made of advantages and disadvantages of a particular chosen field.

Selling over a thousand boxes of candy to pay for a Devirsa Sign which was placed in front of Lincoln to announce coming activities, was the first project of D.E.C.A. Club. Calendars were sold to help pay for a plaque which will have the names of each student in D.E.C.A. This will be displayed in the Distributive Education room.

Future Teacher's Club enables its members to learn more about the teaching profession. New teachers at Lincoln, especially teachers new to the profession, told club members about college courses they took and why they chose to teach. Lincoln exchange students also spoke to Future Teachers Club. Practical teaching experience comes to club members through helping grade school students at Bidwell and assisting teachers by correcting tests and running errands.

Fourth row, left to right: Jim Dagle, Clark Glass, Bob Potts, Craig Burk, Arnie Shreffler, Dave Helland, Terry Burk, Gene Hague, Greg Davis, Tim Yancey, Jim Mills, Jim Marcotte.

Language Clubs are organized to allow students to become more familiar with the people, culture, and language of another country. The Latin, French, and Russian Clubs allow language students to have learning experiences outside the classroom.

French Club draws many members by its variety in programs. A style show given in French, a Christmas party with French food, movies and guest speakers make this club an interesting one.

Russian Club is noted for its enthusiastic members. Foreign students and Lincoln exchange students often share their experiences with club members. The Father Frost Christmas party and spring banquet, both with Russian food, are highlights of club activities.

FRENCH CLUB—Front row, left to right: Janice Beauchamp, Londa Larsen, Kathy Wallace, Michelle Morris, DiAnn Turner, Kathy Callahan. Second row, left to right: Barb Beauchamp, Marjorie Crawford, Judy Sample, Pamela Stubbs, Karen Garbow, Julie Nixon, Connie Winfrey, Barbara Birlingmair, Leigh Anne Holgate, Diann Bradley. Third row, left to right: Pat Crosby, Linda Trent, Karyl Garbow, David Loffredo, Richard Evison, David Cox, Mrs. Erna Bevington, Marge Toon, Mary Meyer, Debby Bly, Linda Post, Karen Brightwell.

COMPUTER CLUB—Left to right: Perry Hutchison, George Vincent, Mr. Hocking, Simon Casady, David Loffredo, Joyce Waterman, Kala Else.

Members of the Computer Club, under the direction of Mr. Ronald Hocking, have spent their Saturday mornings this past year learning all about computer programming. Before programs could be written, the members had to learn the basic computer language, Fortran, as well as the theory behind computer operations and how to prepare program and data cards on the keypunch machines.

During the second semester the members have put their knowledge to practical use in writing programs to solve various types of problems. These programs were then tested on the computer and some of the members have entered their best programs in the National Computer Programming Contest.

Hobby Clubs... Fun For Spare Moments

Chess Club allows its members the opportunity to play this game in tournament style. Meeting every Friday after school, club members challenge each other in a ladder tournament.

Second row, left to right: Glenda Bedient, Debby Bly, Lynn Patrick, Kate Manz, Theresa Graziano, Beverly Wood, Steve Booth, Perry Hutchison, Floyd Wagner, Terry Conner, Mrs. Taylor.

Drama Club allows its members more practical experience and enrichment outside the classroom. Newly organized, this club had an active year. Club members gave children's theatre productions, worked on the all-school play, "Dank-Dungeons," and had a Christmas party at which special scenes and skits were performed. A bus trip to St. Paul to see, "As You Like It," was the highlight of the year.

Camera Club allows its members to enjoy a lifetime hobby. Field trips to the Art Center and Woltz Studios gave club members a chance to see and hear about professional photography. A guest speaker from Meredith Publishing also gave more professional tips to the "shutter bugs." Club members were also entertained by a slide show.

Mr. Ewers, Camera Club adviser, points out picture composition at Art Center.

The Children's Theater Presents...

The Children's Theater, an extension of Lincoln's new Drama Club, made its debut at neighboring elementary schools when interested members presented their productions of Cinderblossom and Rumpelstiltskin, two separate plays, under the direction of Mrs. Diane Taylor, speech and drama instructor.

Cast of Cinderblossom, an oriental version of the Cinderella fairy tale, includes: Susan Morris, Friendly One; Bev Wood, So-So Grumpy; Judy Richards, Sad Lotus; Linda May, Prickly Pear; Jerry Crawford, Emperor; Steve Booth, Prime Minister; Wendell Anderson, Dragon Boy; Barb Berardi, Cinderblossom; and Judy Hagan, Fairy Godmother.

Staffs...Assisting Administration and Student Body

STUDENT CENTER STAFF—Left to right: Marsha Clough, Bonnie Crawford, Janet Saylor, Pat Kilgore, Claudia Breese, Linda Wetmore, Vicki Leaming, Claudia Cansdale, Kala Evans, Mrs. Shiffer.

Student Center Staffers do much of the work that makes it such a success. Before school and during the noon hour, these workers dispense to all hungry students what the Student Center has to offer. With the increased facilities of the new student center, the duties have increased, but this staff has continued to work efficiently.

Hospitality and Usher Committee members voluntarily give of their time. They serve as hosts at all assemblies and senior activities, check coats at the Pancake Breakfast, act as guides at sophomore orientation and adult education classes. A new duty this year was to act as guides and host for the officials connected with Career Day.

Dorian Art Club members have the responsibility of decorating for nearly all school dances. They also contribute to the Christmas spirit by decorating the halls with evergreens and colored lights. Another important function is designing the cover for the Railsplitter annual. Club members are encouraged to enrich their appreciation of art. For this reason, art students are asked to join the club only if they have a grade average of two or better. Field trips to the Art Center and other places of interest to young artists are also included in the year's activities.

Mr. Allen checks art layout with Jill Fulenwider.

Craig Wagner mounts a spotlight in the girls' gym for the Homecoming dance.

The Service Homeroom keeps all of Lincoln's audio-visual equipment in running order. Their homeroom period is spent delivering machines and equipment requested by classroom teachers. These boys play a valuable part in providing teachers with teaching aids. Setting up lights and microphones for assemblies, the Pancake Breakfast, and for school dances are also important functions of this staff.

CHEERLEADERS—Left to right: Kathy Mills, Gloria Neal, Cindy Balke, Margaret Whitmarsh, Debbie Zarley, Sue Roland, Becky Shoemaker, Celeste Price, Judy Cherry, Kristy Boyd, Marcia Lint.

Lincoln cheerleaders have the enormous task of creating, boosting, and maintaining school spirit. The enlarged cheerleading squad of twelve girls led the student body in songs and yells throughout the fall and winter athletic seasons. They were kept busy cheering at sophomore and varsity football games, swimming and wrestling meets, and basketball games. This was the first year for the squad to cheer at swimming meets. Other activities including participating in the B.L.H. drive and planning and taking part in pep assemblies.

Skirts, vests, and four more sweaters were purchased so that each girl had her own uniform. Besides the new look in clothes, the cheerleading squad prepared many new cheers, chants, and songs. The most spectacular of these were the pyramids and the mounts. These girls did a terrific job of building school spirit and representing Lincoln throughout the year.

Twelve varsity cheerleaders strive to keep Lincoln's spirit at its highest. With the addition of new routines, cheerleaders worked many hours to achieve perfection. Duties include pep assemblies, sophomore and varsity football games, basketball, wrestling, and swimming meets.

Headed by Captain Sue Roland, cheerleaders were sponsored by Mr. Gerald Manning and Mrs. Sally Fisher.

The Boys' Club pep section supported the team and cheerleaders at the football games.

Pep Club blossomed this year with the addition of a new gym and a successful year of athletics. Dressed in maroon and white uniforms, club members add much color, not to mention noise, to athletic events. The pompoms in the fall make the Lincoln pep section the best in the city during football season. Buses again carried many Pep Club members to out of town games. No member will soon forget the fun of eating, yelling, and singing on the Pep Club bus. The loyalty and spirit shown by this year's Pep Club will be hard to equal in the future.

This year Lincoln's Drill Team was the biggest in its history with 39 junior and senior girls. Drill Team members are chosen in the spring, and the girls work hard all summer to be prepared for fall activities. Each girl chosen must have above average grades, be cooperative, be neat in appearance, and have some marching ability. Drill Team has done a fine job representing Lincoln at football games, basketball games, and parades this year. The Pella Tulip Festival, the Drake Relays, and the Armed Forces Day parades were all beautified by Lincoln's Drill Team.

Railsplitter Wins Medalist Award

The Railsplitter won a Medalist Award and an All-Columbian Honor Rating in general features in the Columbia Scholastic Press Association 43rd Annual Contest for newspapers and magazines in New York, March 11.

Medalist rank is granted to publications selected from First Place ratings for special consideration. This is based on intangible qualities that become evident to the judges and which could be characterized as the personality of the entry. Not more than ten per cent of the entries in a given classification may receive Medalist distinction.

Publications which stand out in their groups for one or more items such as headlines, news stories, editorials, sports, general features other than special features, creative work, and advertising, are selected for "All-Columbian honors. Purpose of this rating is to encourage work in selected fields and to call attention to commendable effort within the publications themselves.

Eight Railsplitter issues were judged on content, writing and editing, makeup, and general considerations.

Reviewing the newspaper as a whole, the judges said the Railsplitter staff, working within the framework of good journalism, still manages to let the youthful approach and the personality of the school show through.

Staffers include Kathie Stout, Matt Warren, co-editors; Jerry Crawford, Charlene Hatch, co-managing editors; Margie Toon, Bonnie Griffith, makeup; Christy Boyd, Barbara Erquist, Tim Perkins, Margaret Whitmarsh, feature editors; Jim Shrader, Dan Summy, Steve Young, sports editors; Glenn Bowles, Chris Stefani, advertising; and Barbara Gregg, Pat McCutcheon, circulation.

Action... Touchdowns Bring Cheers

Roosevelt: Facing the city champs of 1966, the Lincoln offense rolled to within the three yard line of Roosevelt on a string of seven straight first downs. Then with less than three minutes to go in the half, the Riders held to keep the Lincoln squad shut out. Adding insult to injury, the Rider defense intercepted four passes during the game. Final score: Roosevelt 14, Lincoln 0.

Ames: In the Homecoming game the Railsplitters came from behind at the half to tie up the game. Shrader scored two touchdowns and passed to Gary Milligan for the third. Young also completed seventeen for twenty-nine passes for a total of 286 yards in the air. Final score: Lincoln 20, Ames 20.

North: After being scored against three times in the first half, the Railsplitters were able to hold the Polar Bears in the second half of the game. Lincoln's seven points were scored by quarterback Steve Young and punter Max Knauer. Final score: North 21, Lincoln 7.

Oskaloosa: Breaking a three game losing streak, the Railsplitters racked up a decisive victory over the Indians. Touchdowns were made by Young on a run, Shrader on a pass from Young, Young on a two yard run, Shrader on a trailer play from Young to Cherry to Shrader, and Cron on a pass from Young. All-City Honorable Mention fullback Milligan gained over 200 yards rushing. Max Knauer kicked for seven extra points. Final score: Lincoln 35, Oskaloosa 14.

East: The Railsplitters were beaten by the Register and Tribune's number two football team. Lincoln scores were made by Shrader on a thirty-two yard pass from Young, Young on a one-yard run, and Milligan on a nineteen yard run. Final score: East 46, Lincoln 18.

Dowling: Even with the biggest line in the city, Dowling was unable to score until the third quarter. Until then, the Lincoln defense held them to a meager seventy-seven yards. After the half, Dowling racked up three TD's and over two hundred yards. Final score: Dowling 21, Lincoln 0.

YOUNKERS

"Satisfaction Always"

Each year Younkens offers a program for young people from the Des Moines area high schools . . . TEEN BOARD for junior and senior girls, and ADVISORY BOARD for junior and senior boys. The young people selected to represent their respective schools are chosen for leadership qualities, high scholastic standing, personal recommendations from school administrators and evaluation from members of the retiring boards, plus their interest and ability in retail and fashion. They participate in special fashion shows during the year, give talks in their schools and to other groups on good grooming, publish a monthly newsletter and work in various junior departments each Saturday. Younkens salutes the representatives from Lincoln High School for a job very well done.

Left to right: Craig Wagner, Jane Shannon, Marge Riley and Doug Parsons.

The training of a mind is
an exciting, lifetime
adventure. The mind may be
taught, or it may be self-
trained. But, no matter the
method used, an education is
never finished.

If serving your fellow man
through work in the
business world seems
challenging to you, we hope
you will come see us when
your school days are over.

CONSIDER...
A CAREER
...NOT A JOB

When looking ahead to your business life, you want to think beyond just a job. Consider the kind of business career you want and judge the qualities of the company which is a part of that business. Life Insurance is a good business and the Equitable Life of Iowa is a good company — offering so many opportunities for the career man or woman.

Look into the Equitable, and you'll find all of the so-called fringe benefits offered by business generally, plus some that only Equitable has for you. Most importantly, there are so many phases of life insurance

work that your opportunities for advancement and permanency are limited only by your own ability. In the Personnel Office, 1105 Equitable Building, you'll find Miss Pat Bush — discuss with her all the opportunities that exist for you at the Equitable — you may choose your career right now.

Your future may be an unknown quantity, but one thing is sure; you can *always* count on high quality standards at McDonald's!

You'll continue to enjoy dining at McDonald's where you can expect the best eating at the lowest prices.

McDonald's hamburgers are 100% pure beef — never frozen meat. Choice quality beef is fresh ground daily and served hot off the grill on toasted buns — the way you like best! Tasty French fries are crisp, golden brown and piping hot. Smooth, cool triple-thick shakes come in your choice of strawberry, chocolate or vanilla. You can be sure everything you order at McDonald's has had the careful preparation good food deserves.

There's instant service — courteous and friendly — at McDonald's
